

Privacy Policy

Publication Date: August 28, 2024

Axiom III LTD, a company incorporated under the laws of the Republic of Seychelles (“Axiom,” “we,” “us,” “our”), and you, as a user of our website and services available through it (“User,” “you,” “your”), agree to this Privacy Policy (“Policy”), which describes our privacy practices related to your use of our website at <https://cryptodao.axiom-wm.com/> (“Website”) and all features, applications, and services available through the Website that are owned and operated by Axiom (“Services”). Terms used in this Policy have the same meanings as those defined in the User Agreement (“Agreement”), unless otherwise specified in this document. This Policy also serves as notice of data collection.

This Policy outlines our practices regarding the collection, sharing, and dissemination of information related to the Website and Services. Please be aware that your use of the Website and all Services available through it is also governed by our Agreement. This Policy also applies to personal information you provide to us in other contexts (e.g., in the course of business relationships not governed by the Website), unless otherwise defined by applicable law or agreements.

By using the Website and Services, you agree that this Policy is an integral part of our Agreement and Offer. If you do not agree with any provision of this Policy or do not accept its terms, you should not access the Website or use our Services.

We are committed to maintaining the privacy and security of your personal information, understanding that such information may be particularly sensitive. We respect the privacy of all users of our Services.

If this Policy or any changes made to it are unacceptable to you in full, or if these terms conflict with the laws and regulations of your location, you agree to refrain from using the Website. In such cases, you assume full responsibility for any losses and expenses arising from non-compliance with the above terms, both with respect to us and any involved third parties.

Information We Collect

"Personal Data" includes the information described in this section and refers to data we collect when you use our Website and Services. We process personal data both manually and automatically. Automated processing of personal data is primarily carried out for contract performance and service provision. We may automatically collect, store, and use certain information, such as statistical data, whenever you visit the Website or use the Services.

We may collect limited information about you from your devices or other sources as described below. When using our Services, we may ask you to provide certain personal information that can be used to contact or identify you. Personal information may include, but is not limited to:

- a. Information you share to use the Services, such as public wallet addresses;
- b. Email address;
- c. First and last name;
- d. Phone number;
- e. Data on Website visits and use of the Services, including pages and content you view, as well as dates and times of your usage;
- f. Technical information, including IP address used to connect your device to the Internet, timezone settings;
- g. Type of browser software and operating system you use.

Collection of Data from Minors

The Website and Services are not intended for direct use by children, and we do not collect personal information from users under 18 years old, except when such data is provided by their parents or legal guardians. If you believe that a user under 18 has provided us with personal information without parental or guardian consent, please contact us.

Use of Data

We use personal data for the following purposes:

Providing Services: We use personal data to provide Services and ensure intuitive, useful, effective, and beneficial use of the Website and Services. This includes using your data to: send notifications, including confirmations, technical alerts, updates, security warnings, responses to your inquiries, and fulfilling your requests; communicate with you and collect feedback on your experience with us; send administrative information, such as information about the Website and Services, as well as changes to our Agreement; facilitate the provision of additional services and programs with third parties; personalize your experience on the Website, such as identifying you as a returning visitor.

Ensuring Security and Improving the Website: We continuously work to improve your experience and provide new and useful features. This includes using your information to: understand and analyze how you use our Website, conduct research, testing, and analysis; develop new products, services, features, and functionalities; authenticate users; detect and prevent fraud; block and remove unsafe or fraudulent users; prevent, detect, and resolve software or hardware errors and issues; and monitor and improve our operations and processes, including security practices, algorithms, and other models.

Customer Support: We strive to provide the best possible experience, including support when needed. This includes using your personal information to: investigate and assist in resolving questions or issues you have regarding the Website and Services; and provide you with support or responses.

Compliance with Laws and Legal Processes: Sometimes laws, government authorities, or other regulatory bodies impose requirements and obligations on us regarding the Services we provide. In such cases, we may use your information to respond to these requirements or obligations. We also collect, use, and process your information if necessary or appropriate: (a) in accordance with applicable law, including laws outside of your country of residence; (b) to comply with legal processes; (c) to respond to requests from government and public authorities, including those outside of your country of residence; (d) to enforce our Agreement; (e) to protect our operations or those of our affiliates; (f) to protect our rights, privacy, safety, or property, as well as those of our affiliates, you, or others; and (g) to enable us to use available legal remedies or limit damages we may incur.

Building and Maintaining Our Community: We aim to be a positive part of the community. We may use your information to: communicate with you about events, promotions, surveys, and campaigns; personalize and deliver content, experiences, communications, and advertising to promote and enhance the Website and Services. We may also use your information to provide you with advertisements and marketing communications that we believe may be of interest to you. Marketing communications you receive from us may include (i) advertisements for Services and (ii) advertisements for other goods or services.

We may disclose your personal data for any other purposes with your consent.

Disclosure of Data

We treat all your personal data with the utmost confidentiality and do not sell, publish, or transfer it to third parties except as provided in our Policy. However, there are circumstances where we need to share your information with our affiliates, contractors, web hosting services, website monitoring specialists,

data analysts, IT service providers, or other third parties to provide you with access to the Services. You acknowledge and agree that we may disclose your personal data to third parties for the legitimate purposes outlined above.

You acknowledge and agree that we may disclose your personal data if required by law or in good faith that such disclosure is reasonably necessary for: (a) complying with a legal process, court order, or legal procedure directed at us; (b) enforcing our Agreement; or (c) protecting our rights, property, or personal safety, as well as those of our company members, agents, employees, users, and the public.

In particular, we may disclose your personal data to the following third parties:

Data Processors: This includes banking partners, technology providers, customer support centers. We make every effort to select reliable service providers (data processors) who offer adequate guarantees to implement appropriate technical and organizational measures to protect your personal data. We have entered into relevant data processing agreements with service providers and are responsible for their actions concerning the processing of your personal data.

Third Parties: We may share your personal data with third parties who act as independent data controllers. This is done only if required by applicable law (e.g., auditors, national regulators, or other authorities), when necessary to protect your legitimate rights (e.g., disclosure of personal data to lawyers or debt collection agencies), due to our legitimate interest in fulfilling the agreement, or with your consent.

In the Context of Mergers, Acquisitions, Debt Financing, Asset Sales, or Similar Transactions: In the event of insolvency, bankruptcy, or administration, where information is transferred to one or more third parties as part of our business assets. In such cases, we ensure that your rights and the terms of data processing as a data subject will not be diminished.

Your Representatives, Consultants, and Other Third Parties: If you have contacted third parties regarding the Services or authorized them to interact with us on your behalf. Please note that we consider such authorization as your consent, and thus, your request for such activities must be provided to us in writing

Tracking Technologies and Cookies

We use cookies and similar tracking technologies to monitor activity on our Site and to store certain information. The tracking technologies we use include beacons, tags, and scripts for collecting and tracking information, as well as for improving and analyzing our Site. The technologies we use may include cookies or browser cookies. A cookie is a small file stored on your device. You can instruct your browser to refuse all cookies or to indicate when a cookie is being sent. However, if you do not accept cookies, you may not be able to use some parts of our service. If you do not adjust your browser settings to refuse cookies, our Site may use cookies.

Data Retention

We retain your personal data for the duration of your use of the Site and Services, and then for a reasonable period necessary to achieve the stated purposes, unless otherwise required by applicable laws. This means we keep your profile information while you use the Services. We retain personal data for at least seven years to fulfill legitimate business functions, such as tax obligations. We take reasonable and appropriate measures to protect personal data, but no security measure can be 100% effective, and we cannot guarantee the security of your information, including protection from unauthorized access or actions by third parties.

Third-Party Tools and Services

The Site may contain links to third-party websites, plugins, and applications (collectively, "Links"). Clicking on these Links may allow third parties to collect or share data about you. We do not control these third-party tools or applications and are not responsible for their privacy statements, policies, or terms. When you leave the Site, we recommend that you review the privacy notices, policies, and terms of every website you visit. Links may be authorized by us or not, and we may block any Links. Your use of third-party Links is at your own risk. You acknowledge and agree that we are not responsible, directly or indirectly, for any damage or loss caused or allegedly caused by the use of or reliance on any such content, goods, or services available on or through such Links.

Entire Agreement

This Policy, along with all other documents, policies, or agreements referenced herein, constitutes the sole and complete agreement between you and Axiom regarding the Site and Services, and supersedes all prior and contemporaneous understandings, agreements, representations, and warranties, whether written or oral, regarding the Site and Services.

Severability

If any provision of this Policy is found to be invalid, illegal, or unenforceable by a court or other competent authority for any reason, such provision will be excluded or limited to the minimum extent necessary so that the remaining provisions of the Policy continue to be in full force and effect. Both parties agree to negotiate in good faith to replace the invalid provision with a valid provision that most closely reflects the economic purpose and intent of the invalid provision.

Amendments

This Policy may be amended by us without any special notice, with the new version of the Policy taking effect as soon as it is posted on the Site, unless otherwise specified in the new version of the Policy. You are responsible for regularly reviewing the terms of this document for any changes and/or additions. Continued use of the Site after changes and/or additions to this document constitutes your acceptance and agreement to such changes and/or additions.

Questions or Comments

If you have any questions regarding this Policy, your rights and obligations arising from this Policy, and/or your use of the Site and Services, or any other inquiries, please contact us at back@axiom-wm.com.
